## **SUPPLEMENTAL ORDER (May Severe Weather)**

In accordance with the authority vested in me as State Coordinating Officer by virtue of Executive Order 09-126, I give the Department of Transportation the authority to waive the size and weight restrictions for divisible loads on any vehicles transporting vulnerable potato crops from areas impacted by flooding, allowing the establishment of alternate size and weight restrictions for all such vehicles for the duration of the emergency. In doing so, the Department shall issue permits and such vehicles shall be subject to such special conditions as the Department of Transportation may endorse on any such permits. Nothing in this Order shall be construed to allow any vehicle to exceed weight limits posted for bridges and like structures, or relieve any vehicle or the carrier, owner, or driver of any vehicle from compliance with any restrictions other than those specified in this Order, or from any statute, rule, order or other legal requirement not specifically waived herein.
